Re: **Reply Comments**
In the Matter of Rocky Mountain Power's Proposed Revisions to Electric Service
Schedule No. 140, Non-Residential Energy Efficiency Program
Docket No. 17-035-T04

On March 1, 2017, the Public Service Commission of Utah ("Commission") issued a Notice of Filing and Comment period in the above referenced matter, allowing parties to file comments by March 15, 2017, and reply comments by March 22, 2017. The Division of Public Utilities ("DPU") and the Office of Consumer Services ("OCS") filed comments March 9, 2017 and March 15, 2017, respectively. Rocky Mountain Power (the "Company") provides these reply comments in response to comments filed by DPU and OCS.

The DPU and OCS both recommended in their comments that the Commission approve the Company's proposed revisions to Schedule 140, with a correction made to the note attached to Table 14 in Sheet No. 140.26. Accordingly, attached hereto as Exhibit A is a revised Sheet 140.26 correcting the error in the note attached to Table 14.

With DPU and OCS in support of these proposed revisions, the corrected note in Sheet 140.26, and the lack of opposition filed, the Company respectfully requests the Commission approve the proposed modifications to Schedule 140, including modifications in these reply comments, effective April 1, 2017.

Sincerely,

Michael S. Snow
