Re: **Compliance Filing**
In the Matter of Rocky Mountain Power's Proposed Revisions to Electric Service
Schedule No. 73, Subscriber Solar Program
Docket No. 17-035-T06

On March 28, 2017, Rocky Mountain Power (the "Company") filed Advice No. 17-06 in the above referenced docket requesting modifications to Schedule 73, with an effective date of May 1, 2017. On April 24, 2017, the Public Service Commission of Utah ("Commission") issued a Notice of Allowing Tariff Changes to Become Effective By Operation of Statute, allowing the Company's requested changes to Schedule 73 to become effective 30 days after filing.

Accordingly, as the Company filed Advice No. 17-06 on March 28, 2017, attached are revised tariff sheets reflecting an updated effective date of April 27, 2017.

Sincerely,

A handwritten signature in blue ink that reads "Michael S. Snow".

ELECTRIC SERVICE SCHEDULE NO. 73 - Continued

SPECIAL CONDITIONS:

1. After subscribing, customers will remain subscribed to the program until they cancel. Customers subscribing to amounts equal to or greater than 2,000 kW may negotiate specific subscription durations to be established as part of their electric service agreement.
2. Customers under Schedules 1, 2, 3 and 23 can subscribe to as many blocks as they want, but their subscription cannot exceed 100% of their usage for the prior 12 months (on a kWh basis). Customers can subscribe to at least one block, regardless of usage, if they meet all other eligibility requirements.
3. Customers under Schedules 6, 6A, 6B, 8, 9 and 9A can subscribe to as many blocks as they want, but their subscription cannot exceed the lower of their usage for the prior 12 months or 2,000 kW. Customer can subscribe to at least one block, regardless of usage, if they meet all other eligibility requirements.
4. If a customer cancels a subscription, the subscribed amount will be added to the available program capacity. Cancellation shall be effective at the end of the billing period in which the request is made.
5. Customers may transfer their subscriptions to other locations in the Company's Utah service territory if they move (provided they stay on the same rate schedule and account remains under the same customer name).
6. Customers can cancel their subscription within 30 days of signing up with no penalty/cancellation fee.
7. Subscribers may pay a cancellation fee if they cancel within three years of subscribing. The cancellation fee will equal up to \$50 per block. After three years, no cancellation fee will apply. Customers with subscription amounts equal to or greater than 2,000 kW must provide notice six months in advance of termination or must pay the solar block charge for up to six months.
8. The Company may not accept enrollments for accounts that have a time-payment agreement in effect, or have received two or more disconnect notices, or have been disconnected for non-payment within the last 12 months.
9. The Company will retain ownership of the Renewable Energy Credits (RECs) and all other environmental attributes including but not limited to carbon emission reduction credits, which will be retired by the Company on behalf of subscribers. Customers may request to have RECs deposited in their own Western Renewable Energy Generation Information System account at their own expense.
