- 2 -

Additionally, as noted above, interested parties have until March 7, 2018 and March 14, 2018, respectively, to file comments on PacifiCorp's proposed tariff revisions.

Utah Administrative Code R746-405-2(E)(1) provides: "Utility tariffs may not increase rates, charges or conditions . . . unless a showing has been made before and a finding has been made by the [PSC] that the increases or changes are justified." Pursuant to R746-405-2(E)(4)(a), the PSC may suspend the effective date of the tariff for reasons the PSC determines.

Because the DPU's response and the comment and reply comment deadlines will extend beyond the requested effective date of March 1, 2018, we suspend the tariff changes proposed in this docket until further notice.

DATED at Salt Lake City, Utah, February 28, 2018.
