Re: *Rocky Mountain Power's Proposed Tariff Revisions, Proposing to Update Index Sheet No. B.1, Docket No. 17-035-T14, Advice No. 17-15 – Tariff Index Housekeeping Filing*

Dear Ms. Saba,

The Public Service Commission of Utah ("PSC") reviewed the November 30, 2017 filing by PacifiCorp, dba Rocky Mountain Power ("PacifiCorp"), of proposed revisions to Index Sheet No. B.1 of its P.S.C.U. Tariff No. 50 ("Tariff"). The proposed revisions to Index Sheet No. B.1 include the addition of Electric Service Schedule No. 120, Plug-In Electric Vehicle Incentive Pilot Program, and Schedule No. 121, Plug-In Electric Vehicle Load Research Study Program – Temporary,¹ and minor administrative changes. PacifiCorp requests an effective date of January 1, 2018 for the proposed changes. The PSC also reviewed the December 11, 2017 action request response filed by the Division of Public Utilities (DPU).

The Division concludes PacifiCorp's filing is minor and necessary to properly reflect the PSC-approved Schedule Nos. 120 and 121 on Index Sheet No. B.1. Accordingly, the DPU recommends the PSC approve PacifiCorp's proposed changes to Index Sheet No. B.1.

Based on the PSC's review of PacifiCorp's filing and the recommendation of the DPU, the PSC approves the modifications to Tariff Index Sheet No. B.1 as filed, effective January 1, 2018.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
DW#298553

¹ Schedule Nos. 120 and 121 were initially approved by the PSC on June 28, 2017 in Docket No. 16-035-36, Rocky Mountain Power's Sustainable Transportation and Energy Plan ("STEP") Act Initiatives.
