Ticaboo, UT 84533

Re: *In the Matter of Revisions to Tariff No. 1 of Ticaboo Utility Improvement District; Docket No. 17-2508-T01*

Dear Mr. Shortreed:

The Public Service Commission of Utah (PSC) reviewed the May 1, 2017 filing by the Ticaboo Utility Improvement District (Ticaboo) and the May 11, 2017 action request response filed by the Division of Public Utilities (DPU).

The DPU states it reviewed Ticaboo's proposed tariff changes, board meeting minutes, and public notice requirements. According to the DPU, on April 28, 2017, Ticaboo's Board of Trustees approved the proposed tariff changes and Ticaboo held a public meeting to address them. The DPU recommends the PSC acknowledge Ticaboo's revised tariff sheets.

Based on the PSC's review of Ticaboo's filing and the DPU's comments, the PSC acknowledges the filing as complying with Utah Code Ann. § 17B-2a-406. Accordingly, it is available for public inspection at the PSC.

Sincerely,

/s/ Gary L. Widerburg  
Commission Secretary
