Re: *Mt. Wheeler Power, Inc.'s Proposed Tariff Revisions*; Docket No. 18-031-T01

Dear Mr. Ewell:

The Public Service Commission of Utah (PSC) reviewed the February 22, 2018 filing by Mt. Wheeler Power (Mt. Wheeler) and the March 2, 2018 action request response filed by the Division of Public Utilities (DPU).

The DPU states Mt. Wheeler held Board of Directors (Board) meetings in January and February 2018 and another Board meeting is scheduled for March 2018. The DPU also states that, as specified in Utah Code 54-3-3 and 54-4-1.1, Mt. Wheeler will continue to notify customers of the proposed rate changes through mailings, website listings and other social media outlets, and the Ruralite magazine. The DPU recommends the PSC acknowledge the revised tariff sheets with an effective date of April 1, 2018.

Based on the PSC's review of the filing and the DPU's comments, and subject to Mt. Wheeler's Board's final approval of the tariff and rate changes, the PSC acknowledges the filing as complying with Utah Code Ann. § 54-7-12(7). Accordingly, it is available for public inspection at the PSC.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
