Mt. Wheeler Power completed the process of using the following methods to notify all of its members of the proposed rate changes and posted meetings of said adjustments; company website postings, publication in the Ruralite magazine, social media outlet as well as mailing individual letters to all members. Mt. Wheeler Power would like to implement the changes to the above rates beginning April 1, 2018. We have included a redline version of each rate for easier notation of the changes. Please let me know if you have any questions.

Sincerely,

Randy Ewell  
General Manager/CEO
