Application of Rocky Mountain Power for Approval of Solicitation Process for Solar Photovoltaic and Thermal Resources	<u>DOCKET NO. 18-035-47</u> <u>ORDER GRANTING INTERVENTION</u>
---	---

ISSUED: March 21, 2019

On February 28, 2019, the Interwest Energy Alliance petitioned for leave to intervene in this docket.

Because no party has objected to the petition and good cause otherwise appears to exist, the Public Service Commission (PSC) will grant intervention. Intervention is conditioned upon the intervenor's representatives participating in this matter adhering to the Utah Standards of Professionalism and Civility adopted by the Utah Supreme Court October 16, 2003. (These may be reviewed at internet web address <http://www.utcourts.gov/courts/sup/civility.htm> or a copy obtained by request made to the PSC.)

The PSC may condition intervenor's participation in these proceedings based upon such factors as whether intervenor is directly and adversely impacted by issues raised in the proceedings; whether intervenor's interests are adequately represented by another party; the number of persons seeking intervention or already intervened; and how intervenor's participation will affect the just, orderly and prompt conduct of the proceedings.

ORDER

Leave to intervene is granted to the Interwest Energy Alliance. Intervention is granted as described above.
