(3) **Important dates.**

- When was the final order of the agency entered? 7/18/19

(4) **Issues on review.** Separately describe the issue(s) that you plan to argue on review.

My household being charged two grid access charges  
for electricity for my well and house.  
797 E Pioneer Bend Monticello UT 84535  
I plan to argue that grid access charges  
should be one charge for my household.  
I plan to argue that Empa election can make  
the well and property an one meter. If  
they will not do one meter then should be one charge.

(5) **Summary of what happened in the agency.** Briefly describe the facts relating to the issue(s) described above.

My complaint to have my two access  
electricity grid charges merged into one  
grid charge was dismissed by Public  
Service Commission of Utah Docket # 19-025-01

(6) **Related reviews.** Have there been any petitions for review in this matter before this review? Are there any other reviews related to this review?

Yes  No

If yes to either question, provide the appellate court case numbers. If the earlier or related appeal resulted in a written decision, provide the decision citation, if available.
