TERRELL H. SPACKMAN Direct Examination by Ms. Hogle	4
BRENDA SALTER Direct Examination by Ms. Schmid	8

1 P R O C E E D I N G S

2 HEARING OFFICER: Good morning. This is the  
3 time and place and notice for the hearing in the  
4 application of Rocky Mountain Power for authority to revise  
5 rates in Tariff Schedule 98, renewable energy credits  
6 balancing account. This is Commission Docket Number  
7 19-035-11. My name is Michael Hammer. I am the  
8 Commission's designated presiding officer.

9 Let's go ahead and take appearances please,  
10 beginning with Rocky Mountain Power.

11 MS. HOGLE: Good morning. Yvonne Hogle on  
12 behalf of Rocky Mountain Power. With me here today are  
13 Terrell Spackman, who will be giving a summary of the  
14 Company's application. On the phone, I believe, we have  
15 Ms. Mary Winkie and Mr. Robert Meredith, also supporting  
16 the Company's application. Thank you. And behind me is  
17 Ms. Jana Saba. Thank you.

18 HEARING OFFICER: Thank you.

19 MS. SCHMID: Good morning. Patricia E. Schmid  
20 with the Utah Attorney General's office for the Division of  
21 Public Utilities. With me as the Division's witness  
22 Ms. Brenda Salter.

23 HEARING OFFICER: All right. Is there anything  
24 before we have the Company call its first witness?

25 MS. HOGLE: Yes. Mr. Hearing Officer, at this

1 time I would like to move for the admission of the  
2 testimony of Ms. Mary Winkie and her exhibits, as well  
3 Mr. Robert Meredith and his exhibits into the record.

4 MS. SCHMID: No objection.

5 HEARING OFFICER: They're admitted.

6 MS. HOGLE: Thank you. The Company calls  
7 Mr. Terrell Spackman. I'm wondering if he can remain at  
8 his seat.

9 HEARING OFFICER: I expect there is no  
10 objection today. Yes, that's fine. Mr. Spackman, do you  
11 swear to tell the truth?

12 THE WITNESS: Yes, I do.

13 DIRECT EXAMINATION

14 BY MS. HOGLE:

15 Q. Good morning, Mr. Spackman. Can you please  
16 state and spell your name and your position for the record?

17 A. Sure. Terrell H. Spackman, T-E-R-R-E-L-L,  
18 initial H, S-P-A-C-K-M-A-N. I am the manager of revenue  
19 requirements for Rocky Mountain Power.

20 Q. Thank you. In that capacity did you prepare or  
21 cause to be prepared direct testimony and exhibits in  
22 support of the Company's application in this case?

23 A. Yes, I did.

24 Q. Do you have any changes that you would like to  
25 make to that testimony?

1 A. No, I don't.

2 Q. And so if I were to ask you the questions in  
3 your testimony again here today, would your answers be the  
4 same?

5 A. Yes.

6 Q. Okay.

7 MS. HOGLE: At this moment I move for the  
8 admission of Mr. Spackman's direct testimony and exhibits  
9 into the record.

10 HEARING OFFICER: They're admitted.

11 Q. (By Ms. Hogle) Mr. Spackman, do you have a  
12 summary that you would like to give today?

13 A. Yes, I do.

14 Q. Please proceed.

15 A. Good morning, Hearing Officer Hammer. On March  
16 15, 2019 Rocky Mountain Power filed its annual renewable  
17 energy credit balancing account, or RBA, seeking to collect  
18 the deferral balance from customers through Schedule 98 of  
19 approximately \$836,000 to be collected over a period of one  
20 year.

21 This amount includes carrying charges during  
22 the deferral period of January 1, 2018 through December 31,  
23 2018 and the interim period of January 1, 2019 through May  
24 31, 2019 of approximately \$50,000. The \$836,000 deferral  
25 amount established in this filing will be collected from

1 Utah customers June 1, 2019 through May 31, 2020.

2           Myself, Ms. Mary Winkie, and Mr. Robert  
3 Meredith filed testimony in support of the Company's  
4 application describing the calculations. My testimony  
5 describes the calculation of the deferral amounts and the  
6 amount of the REC revenue allocated to Utah rate payers.  
7 Ms. Winkie's testimony presents a detailed accounting of  
8 total Company REC revenue for calendar year 2018. And  
9 Mr. Meredith's testimony addresses the allocation of the  
10 RBA surcharge among the customer classes and the resulting  
11 Tariff Schedule 98 rates in this case.

12           Ms. Winkie and Mr. Meredith are available on  
13 the phone today to answer questions if needed.

14           The \$836,000 to be collected from customers in  
15 this RBA was calculated in a manner consistent with  
16 previous RBA filings. The RBA deferral was calculated as a  
17 difference between actual REC revenue realized by the  
18 Company and the amount and rates. In this RBA filing the  
19 deferral period was January 1, 2018 through December 31,  
20 2018. The impact of this filing for customers is an  
21 increase in rates of 0.02 percent.

22           On April 25, 2019 the Division of Utilities  
23 filed comments in support of the proposed rate change  
24 becoming effective on an interim basis on June 1, 2019  
25 pending their final audit of the REC revenues contained in

1 this filing. No other party filed comments in this phase  
2 of the proceeding.

3 The Company respectfully requests the  
4 Commission approve the Company's request to collect from  
5 customers \$836,000 associated with this RBA filing on an  
6 interim basis beginning June 1, 2019. Thank you.

7 MS. HOGLE: Mr. Spackman is available for  
8 questions.

9 HEARING OFFICER: Ms. Schmid?

10 MS. SCHMID: No questions.

11 HEARING OFFICER: And I don't have any. Thank  
12 you, Mr. Spackman. Ms. Hogle, you didn't want to call any  
13 additional witnesses at this time then?

14 MS. HOGLE: I do not. I will offer them,  
15 however, if you have any questions.

16 HEARING OFFICER: Thank you.

17 MS. HOGLE: Thank you.

18 HEARING OFFICER: Ms. Schmid.

19 MS. SCHMID: Thank you. The Division would  
20 like to call Ms. Brenda Salter as its witness. May she  
21 please be sworn?

22 HEARING OFFICER: Ms. Salter, do you swear to  
23 tell the truth?

24 THE WITNESS: I do.

25 HEARING OFFICER: Thank you.

DIRECT EXAMINATION

BY MS. SCHMID:

**Q. Could you please state your full name, employer, position, and business address for the record?**

A. Yes. My name is Brenda Salter. I am employed with the Division of Public Utilities. My business address is 160 East 300 South, Salt Lake City, Utah. I am a utility technical consultant.

**Q. In conjunction with your employment by the Division did you prepare or cause to be prepared the Division's recommendations in this docket?**

A. Yes, I did.

**Q. Do you have any changes or additions to those recommendations?**

A. No, I do not.

**Q. If asked the same questions as the answers that are presented in your memorandum, would the memorandum be the same today?**

A. Yes.

**Q. Do you adopt those memorandums as your testimony?**

A. I do, yes.

MS. SCHMID: We would like to request the admission of the memorandum.

HEARING OFFICER: It's admitted.

1 Q. (By Ms. Schmid) Do you have a summary that you  
2 would like to give today?

3 A. I do, yes.

4 Q. Please proceed.

5 A. Good morning. As the Company has stated,  
6 Tariff Schedule 98 tracks the difference between renewable  
7 energy credit revenues included in rates and actual REC  
8 revenues collected from the sale of RECs by the Company.

9 The variances between REC revenues included in  
10 rates and actual REC revenues collected are identified and  
11 deferred each month for one full calendar year. Annually  
12 on March 15th an RBA application is filed to present the  
13 variances, including applicable carrying charges and with a  
14 100 percent true-up for the difference between the amounts  
15 and rates and actual sales occurring through Tariff  
16 Schedule 98.

17 The collection or credit under Tariff Schedule  
18 98 is to be made annually effective June 1st. The  
19 application under this docket is the eighth deferral RBA  
20 rate adjustment under the RBA.

21 This application requests collecting from Utah  
22 customers over a one year period the 2019 RBA deferral  
23 balance of \$0.8 million. This is a net increase of .3  
24 million or .02 percent over the current collection rate of  
25 .5 million.

1           The Company proposes allocation of the  
2     outstanding deferral balance across customer classes in a  
3     manner consistent with the approved rate found in Step 2 of  
4     the 2014 general rate case stipulation with modifications  
5     for metered outdoor nighttime lighting and special  
6     contracts.

7           The Division has performed a preliminary review  
8     of the filing and the corresponding Commission orders and  
9     has found that in general the Company has complied with the  
10    Commission orders and recommends the change in Schedule 98  
11    be approved on an interim basis. As outlined in the  
12    Commission's scheduling order dated March 29, 2019, the  
13    Division will file its RBA audit report on July 11, 2019.  
14    And that concludes my testimony.

15           MS. SCHMID: Ms. Salter is now available for  
16    cross examination and questions from the hearing officer.

17           HEARING OFFICER: Ms. Hogle?

18           MS. HOGLE: No questions.

19           HEARING OFFICER: And I have none. My  
20    understanding is that the Company is looking for an  
21    effective date of the interim rates of June 1st?

22           MS. HOGLE: Correct.

23           HEARING OFFICER: Okay. The Commission will  
24    certainly take that into consideration in getting an order  
25    drafted. Is there anything else before we adjourn?

1 MS. HOGLE: No. Thank you.

2 MS. SCHMID: No. Thank you.

3 HEARING OFFICER: Thank you.

4 (The hearing concluded at 10:15 a.m.)
