Pursuant to Utah Code Ann. § 63G-4-203 and Utah Admin. Code R746-1-108, PacifiCorp, doing business in Utah as Rocky Mountain Power (“Company”) hereby submits this motion (“Motion”) to revise the procedural schedule established in the February 18, 2020 Scheduling Order, Notice of Technical Conference, and Notice of Hearing to the Public Service Commission of Utah (“Commission”). The Company moves that the Commission adopt a new schedule consistent with the schedule provided below, and requests expedited treatment of the Motion. The Company has contacted each of the parties that participated in the scheduling conference on February 11, 2020, and all have indicated that the schedule proposed herein is acceptable, and that they do not oppose this Motion. The proposed dates for the technical conference and hearing are subject to the Commission’s availability, but the

Company reached out to the Commission staff to confirm that the Commission does not have any known conflicts with the proposed dates.

The Company also requests the technical conference be held telephonically to comply with current recommendations to avoid in-person gatherings. The parties in this docket have also indicated that they do not oppose a fully telephonic technical conference.

Good cause exists to grant this Motion on an expedited basis. The date currently scheduled for the Company's supplemental filing is just one day from the date of this Motion, March 26, 2020. However, in light of the Company's ongoing pandemic response, and the recent earthquakes in Utah, key employees involved in preparing data and testimony for this case need additional time to prepare and finalize that information. Also, as noted above none of the parties that participated in the scheduling conference object to revising the schedule as proposed, so granting this Motion on an expedited basis will not prejudice any of them. The Company intends to file its next quarterly updates for Schedule 38 prices and its Schedule 37 tariff price updates concurrently with its supplemental filing in this docket, which will now, if this Motion is granted, be on April 9, 2020, as proposed below. The Company's proposed revised schedule will provide the additional time needed by the Company to prepare its supplemental filing, and is as follows:

PROPOSED REVISED SCHEDULE

| ITEM | DEADLINE/DATE/TIME/LOCATION |
|--|--|
| Rocky Mountain Power's supplemental filing | April 9, 2020 (was March 26, 2020) |
| Technical Conference | Telephonic technical conference, April 24, 2020 at 1:00 p.m. (was April 9, 2020 at 1:00 p.m.). Any party who wishes to submit questions in advance of the technical conference should send them via email to: the PSC (psc@utah.gov) and Jana Saba (jana.saba@pacificorp.com) before 5:00 p.m. on Thursday April 16, 2020 (was April 2, 2020) |
| Comments, non-applicant parties | May 28, 2020 (was May 14, 2020) |
| Intervention deadline | June 4, 2020 (was May 21, 2020) |
| Reply comments, all parties | June 25, 2020 (was June 11, 2020) |
| Hearing | July 1, 2020 at 9:00 a.m. (was June 17, 2020) |

WHEREFORE, the Company respectfully request the Commission grant this Unopposed Motion to Revise the Procedural Schedule, on an expedited basis, and in accordance with the schedule proposed herein.

DATED this 25th day of March, 2020.

Respectfully submitted,

ROCKY MOUNTAIN POWER
