Re: *Rocky Mountain Power's Service Quality Review Report; Docket No. 19-035-19*

Dear Ms. Saba,

The Public Service Commission of Utah (PSC) reviewed Rocky Mountain Power's January 1 – June 30, 2019 Service Quality Review Report ("Report") filed on November 1, 2019. The PSC also reviewed the December 2, 2019 comments from the Division of Public Utilities (DPU), detailing its review of the Report.

The DPU asserts the Report substantially complies with the PSC's June 11, 2009 Order in Docket No. 08-035-55 and the December 20, 2016 Order in Docket Nos. 13-035-01 and 15-035-72. Similarly, the DPU states the Report complies with the requirements of Utah Admin. Code R746-313. The DPU maintains no changes to the reliability baselines and notification levels are warranted. The DPU recommends the PSC acknowledge the Report.

The PSC acknowledges the Report as satisfying the reporting requirements identified by the DPU.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
