Re: *Rocky Mountain Power's Semi-Annual Demand-Side Management Forecast Reports;*
Docket No. 19-035-28

Dear Ms. Saba:

The Public Service Commission (PSC) reviewed the Annual Demand-Side Management (DSM) Deferred Account and Forecast Report and associated Attachments 1 through 4 ("Report") filed by Rocky Mountain Power (RMP) on November 1, 2019. The PSC also reviewed comments filed by the Utah Division of Public Utilities (DPU), the Office of Consumer Services (OCS), and Utah Clean Energy/Southwest Energy Efficiency Project (UCE/SWEEP), and RMP's December 17, 2019 reply comments.

The DPU recommends the PSC acknowledge the Report as complying with PSC orders in Docket Nos. 09-035-T08, 10-035-57, and 13-035-136. The DPU, the OCS, and UCE/SWEEP provide comments on various aspects of the Report, all of which RMP addressed in its reply comments.

Based on the PSC's review of the Report and revised Attachment 1, the filed comments and recommendations, and RMP's reply comments, the PSC acknowledges the Report as complying with the relevant reporting requirements.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
