Dear PSC:

I decided today, thankfully, to check on the status of my complaint. When I called, I was told about a hearing at 9:00 tomorrow morning. I did not receive any email that I can find from your office and I work online everyday. I also checked my spam folder and it went back to the 18th of October as the last day displayed. It did not show the 17th, so it may have gone to the spam folder, but I do not know for sure.

Anyway, I have two problems. First, I am committed to drive to California on a business trip leaving at 5:30 in the morning to arrive for meetings in Sacramento starting at 2 p.m. Second, I have no way to get my witnesses there tomorrow morning with no notice.

I request that we postpone the hearing until early December.

Thank you,

Mike Sessions
