Subject: FW: Docket No. 19-035-T01, Order

To: 'Carol Revelt' (crevelt@utah.gov) &lt;crevelt@utah.gov&gt;

Hi Carol,

The Commission issued their order yesterday in Docket No. 19-035-T01 (attached). In it, they approved our filing as proposed, with an effective date as of the date of the order (April 18<sup>th</sup>). However, in our Supplemental Filing (also attached), we requested a revised effective date of April 23<sup>rd</sup>. If the Commission approved our filing as proposed, I would take this to mean our requested effective date of April 23<sup>rd</sup> was also approved, creating in my opinion, conflicting effective dates.

Please provide clarity on what the effective date really is for this. We would prefer April 23<sup>rd</sup> still as we were not prepared for this change on the 18<sup>th</sup> and will have to make some retroactive adjustments.

Thank you,

**Michael S. Snow**
