Re: *Rocky Mountain Power's Proposed Tariff Revisions to Schedule 120, Plug-in Electric Vehicle Incentive Pilot Program; Docket No. 19-035-T16*

Dear Ms. Saba:

On December 31, 2019, the Public Service Commission (PSC) issued an order ("Order") approving changes to Rocky Mountain Power's (RMP) Electric Service Schedule No. 120, Plug-in Electric Vehicle Incentive Pilot Program. The Order also directed RMP to file updated Tariff Sheet Nos. 120.1 and 120.2 with the correct effective date by January 15, 2020. Pursuant to the Order, on January 8, 2020, RMP filed a compliance filing ("Compliance Filing") updating the effective date of the tariff sheets to January 1, 2020.

Based on the PSC's review of the Compliance Filing, RMP's modifications to Sheet Nos. 120.1 and 120.2 are approved as filed.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
