Hi,

I have a few questions about this request,

Garkane Energy has filed its Annual Report each year for the years 2016, 2017, 2018, and 2019, and has included page 17 (and 17a) from each of its' timely filed Utah Annual reports (for the years 2016 – 2019). Garkane has complied with items (a) and (b) listed in the *Order to File Mandatory Reports*. However, due to an oversight, Item (c), the criteria used for the disposition of the unclaimed capital credits, was inadvertently excluded.

We wondered if you could research with the Utilities Division to find these filed annual reports. If these reports are found, can the Order be revised accordingly or should we submit these reports again pursuant to the request?

Neal
