Re: *Moon Lake Electric Association's Wildland Fire Protection Plan*; Docket No. 20-030-01

Dear Mr. Robinson:

The Public Service Commission (PSC) reviewed Moon Lake Electric Association's ("Moon Lake") Wildland Fire Protection Plan ("Plan") filed on July 13, 2020 pursuant to Utah Code Title 54, Chapter 24, Wildland Fire Planning and Cost Recovery Act ("Act"). The PSC also reviewed the August 12, 2020 action request response filed by the Division of Public Utilities (DPU) addressing Moon Lake's Plan.

DPU recommends the PSC acknowledge Moon Lake's Plan as complying with Utah Code Ann. § 54-24-203. According to DPU, Moon Lake's Plan addresses the Act's requirements related to electric cooperatives.

Based on the PSC's review of Moon Lake's Plan and DPU's comments, the PSC acknowledges that Moon Lake filed the Plan in compliance with Utah Code Ann. § 54-24-203(3)(d). Pursuant to Utah Code Ann. § 54-24-203(5), the Plan is available for public inspection at the PSC.

Sincerely,

/s/ Gary L. Widerburg  
PSC Secretary
