Re: *Mt. Wheeler Power, Inc.'s New Rate Large General Service KWH EV Rate;*
Docket No. 20-031-T01

Dear Mr. Robinson:

The Public Service Commission of Utah (PSC) reviewed Mt. Wheeler Power's ("Mt. Wheeler") April 10, 2020 tariff filing of the new rate code LGS-KWH (EV) applicable to certain electric vehicle charging stations. The PSC also reviewed the action request response filed by the Division of Public Utilities (DPU) on April 20, 2020. DPU recommends the PSC acknowledge Mt. Wheeler's new LGS-KWH (EV) rate code, and make the tariff available for public inspection. According to DPU, Mt. Wheeler's Board of Directors approved the change and its members/ customers were notified of the new rate between February 14 and March 17, 2020.

Based on the PSC's review of the filing and DPU's comments, the PSC acknowledges the filing as complying with Utah Code Ann. § 54-7-12(7). Accordingly, it is available for public inspection at the PSC.

Sincerely,

/s/ Gary L. Widerburg
