

be conducted by the Board, and to set a schedule for the filing of additional memoranda and testimony by the parties and the balance of the review proceedings.

Rocky Mountain Power recognizes that the Board may need to be formally reconstituted before the initial hearing can be held, and that the Company specifically requested in its Petition that an initial hearing not be scheduled pending ongoing discussions between Rocky Mountain Power and Midway City. Nonetheless, the date by which the initial hearing is to be held in accordance with § 54-14-304 is Thursday, March 5, 2020 (fifty (50) days from the date the Petition was filed); however, Rocky Mountain Power is willing to work with the Board to accommodate any additional time the Board may need to convene a hearing and will continue ongoing discussions with Midway City in the meantime.

DATED this 14th day of February, 2020.
