

RMP 2020 GRC Filing Requirements

R746-700-21.C

Its proposed rates for each rate component of each rate schedule and the billing determinants for the test period for all rate components used to calculate revenues necessary to recover the proposed revenue requirement. An exhibit will be provided showing the test period blocking based on adjusted actual and forecasted billing units in the development of the revenues for each rate schedule.

Response to R746-700-21.C

Please refer to Mr. Robert M. Meredith's Exhibit RMP__ (RMM-5).
