

RMP 2020 GRC Filing Requirements

R746-700-23-B

All information should be provided or available electronically and, in the case of Excel spreadsheets, with all formulas intact including all hierarchy of linked spreadsheets. The term "PCM" herein refers to any power cost model used by the utility, or any subsequent enhancements to or replacements of the power cost model used in the utility's last prior general rate case. The term "work papers" means the documents used to develop the inputs to the PCM. This may include such items such as contracts, emails, white papers, studies, utility computer programs, Excel spreadsheets, word process documents, pdf and text files, computer programs, or any other data or documents relied upon to support the cost details in the application. If the inputs used in the PCM were developed from a document, such as a contract, provide the contract with the PCM inputs highlighted.
