RE: Docket No. 20-035-22
Rocky Mountain Power's Service Quality Review Report
Reply Comments

On May 1, 2020, Rocky Mountain Power (the "Company") filed its Service Quality Review Report for the period of January through December 2019. On June 1, 2020, the Division of Public Utilities ("Division") filed comments. In its comments, the Division recommended the Commission establish a work group to review the reliability baselines and make recommendations based on its observations regarding the 2019 System Average Interruption Duration Index (SAIDI) and System Average Interruption Frequency Index (SAIFI) values as described in the comments.

In accordance with the Notice of Reply Comment Period issued by the Public Service Commission of Utah on June 1, 2020, the Company submits these reply comments in support of the Division's recommendation to establish a work group to review the reliability baselines. The Company appreciates the opportunity to work with the Division in this matter.

Sincerely,

Joelle Steward
Vice President, Regulation
