Re: *Rocky Mountain Power's Service Quality Review Report; Docket No. 20-035-22*

Dear Ms. Saba,

The Public Service Commission of Utah (PSC) reviewed Rocky Mountain Power's January 1 – June 30, 2020 Service Quality Review Report ("Report") filed on October 30, 2020. The PSC also reviewed the December 21, 2020 comments from the Division of Public Utilities (DPU), detailing its review of the Report.

DPU asserts the Report complies with the PSC's June 11, 2009 Order in Docket No. 08-035-55 and the December 20, 2016 Order in Docket Nos. 13-035-01 and 15-035-72. Additionally, DPU states the Report complies with the requirements of Utah Admin. Code R746-313 – *Electrical Service Reliability*. Accordingly, DPU recommends the PSC acknowledge the Report.

The PSC acknowledges the Report as satisfying the requirements identified by DPU.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
