Re: *Rocky Mountain Power's Solar Photovoltaic Incentive Program (Schedule 107) 2020 Annual Report; Docket No. 20-035-26*

Dear Ms. Saba:

The Public Service Commission (PSC) reviewed the June 1, 2020 filing by Rocky Mountain Power (RMP) of its Utah Solar Incentive Program 2020 Annual Report ("Report"). The Report was filed in compliance with the PSC's October 1, 2012 Report and Order in Docket No. 11-035-104. The PSC also reviewed the comments filed by the Division of Public Utilities (DPU) and the Office of Consumer Services (OCS) on July 1, and June 30, 2020, respectively, and the reply comments and updated Report filed by RMP on July 16, 2020.

DPU recommends the PSC acknowledge the Report as it contains the information required by previous PSC orders and letters. Based on an identified discrepancy with respect to 2015 expired deposits, DPU requests the PSC direct RMP to revise Table 4 of the Report and Table 1 in its Third Annual STEP Status Report to show the correct amount of these deposits. OCS recommends the PSC acknowledge the Report. RMP's reply comments include an updated Report with the corrected table.

Based on the PSC's review of RMP's comments and updated Report and the recommendations of DPU and OCS, the PSC acknowledges the updated Report as complying with the relevant reporting requirements.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
