Re: *Rocky Mountain Power's Semi-Annual Demand-Side Management Forecast Reports;*
Docket No. 20-035-31

Dear Ms. Saba:

The Public Service Commission (PSC) reviewed the Annual Demand-Side Management (DSM) Deferred Account and Forecast Report and associated Attachment A ("Report") filed by Rocky Mountain Power (RMP) on July 1, 2020. The PSC also reviewed comments filed by the Utah Division of Public Utilities (DPU) and the Office of Consumer Services (OCS). The Report was filed pursuant to the PSC's Order Granting Approval of Phase I Stipulation dated August 25, 2009 in Docket No. 09-035-T08 ("Order"). The Stipulation requires, in part, RMP to provide certain semi-annual DSM deferred account analyses.

DPU recommends the PSC acknowledge the Report as complying with the Order. OCS recommends the PSC acknowledge that the Report meets the PSC's requirements under the Order.

Based on the PSC's review of the Report and on DPU's and OCS's comments and recommendations, the PSC acknowledges the Report as complying with the relevant reporting requirements.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
