

- BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH -

Application of Rocky Mountain Power for Approval of its Electric Vehicle Infrastructure Program	<u>DOCKET NO. 20-035-34</u> <u>SCHEDULING ORDER AND NOTICE OF HEARING</u>
---	--

ISSUED: September 14, 2021

At the scheduling conference the Public Service Commission (PSC) held on September 1, 2021, several parties expressed their preference for a virtual hearing in this docket. No party expressly opposed the request. Pursuant to statute, the PSC must provide a physical anchor location for members of the public to participate in open portions of the meeting absent specific findings that doing so would present a substantial risk to the health or safety of those present. *See* Utah Code Ann. § 54-2-207(4)(a). Therefore, the hearing will be conducted virtually, but the PSC will provide public access to a hearing room. If any parties to the proceeding elect to attend the anchor location, the PSC encourages the parties' counsel to bring an electronic device that will facilitate their participation in the virtual hearing.

During the scheduling conference, the parties in attendance also agreed to the following schedule, which the PSC approves and adopts:
