MAJOR EVENT REPORT FOR JUNE 5 – JUNE 8, 2020 Request of Rocky Mountain Power for Major Event Exclusion for the Events Related to a Severe Windstorm on June 5 through June 8, 2020.

This is a request for the Division of Public Utilities (DPU) to provide analysis, evaluation results, and the basis for conclusions and recommendations regarding the following:

- Review Application and Make Recommendations
- Review Request for Agency Action and Make Recommendations
- Investigate
- Other – Explanation and Statement of Issues to be Addressed (See Below):

Please evaluate and report to the PSC on whether:

- any material discrepancies exist between items presented in the event outage summary table (Report page 2) and the customer analysis table, specifically total customer minutes lost, state event SADI impact, and CAIDI value;
- the values for various districts and time periods, *e.g.*, for customer minutes lost and sustained outages, sum consistent with the totals for the Utah jurisdiction;
- the 2020 annual threshold presented in this docket properly deviates from the threshold used in Docket No. 20-035-19;
- any tables and spreadsheets should be re-submitted by Rocky Mountain Power with embedded formulae included for evaluation.

\*In the event the PSC issues an order or notice providing dates for comments and/or testimony in this docket:

- The DPU shall respond consistent with the order or notice;
- The order or notice, including any deadlines, shall supersede and replace this action request; and
- This action request shall be deemed withdrawn.
