Re: *Rocky Mountain Power's 2019 Avoided Cost Input Changes Quarterly Compliance Filing, Docket No 19-035-18; and Rocky Mountain Power's Proposed Tariff Revisions to Electric Service Schedule No. 37, Avoided Cost Purchases from Qualifying Facilities, Docket No. 20-035-T04*

Dear Ms. Saba:

The Public Service Commission of Utah (PSC) reviewed the August 27, 2020 compliance filing by Rocky Mountain Power (RMP) proposing changes to Electric Service Schedule No. 37, Avoided Cost Purchases from Qualifying Facilities ("Schedule 37"). The proposed changes to Sheet No. 37.7 update the Schedule 37 rates applicable to wind facilities pursuant to the PSC's August 20, 2020 Order ("2020 Order") issued in these dockets.

The PSC also reviewed the September 9, 2020 comments filed by the Division of Public Utilities (DPU). DPU states the proposed changes to Schedule 37, Sheet No 37.7 comply with the 2020 Order and recommends the PSC approve them with an effective date of August 20, 2020.

Based on the PSC's review of the filing and DPU's comments and recommendation, the Tenth Revision of Sheet No. 37.7 is approved as filed, effective August 20, 2020.

Sincerely,

/s/ Gary L. Widerburg  
PSC Secretary
