Re: *Garkane Energy Cooperative, Inc.'s Wildland Fire Protection Plan,*  
Docket No. 21-028-01

Dear Mr. McClendon,

The Public Service Commission (PSC) reviewed Garkane Energy Cooperative Inc.'s ("Garkane") November 12, 2021 filing of its Wildland Fire Protection Plan Compliance Report ("Report"). The Report documents the implementation of the Wildland Fire Protection Plan (WFPP) originally filed on August 10, 2020 pursuant to Utah Code Title 54, Chapter 24, Wildland Fire Planning and Cost Recovery Act. The Report documents pole inspections, vegetation management, and equipment replacement and upgrades as prescribed in the WFPP.

The PSC also reviewed the December 1, 2021 comments filed by the Division of Public Utilities (DPU). DPU comments that Garkane's Board of Directors reviewed and approved the Report at its October 25, 2021 meeting and recommends that the PSC acknowledge that the Report complies with Utah Code Ann. § 54-24-203(4)(b).

Based on the PSC's review of the Report and DPU's comments and recommendation, the PSC acknowledges the Report as complying with Utah Code Ann. § 54-24-203(4)(b). Pursuant to Utah Code Ann. § 54-24-203(5), the Report is available for public inspection at the PSC.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
