Re: *Raft River Rural Electric Cooperative's Wildland Fire Protection Plan,*
Docket No. 21-032-01

Dear Mr. Black,

The Public Service Commission (PSC) reviewed Raft River Rural Electric Cooperative's ("Raft River") November 3, 2021 filing of its Wildland Fire Protection Plan Compliance Report ("Report"). The Report documents the implementation of the Wildland Fire Protection Plan (WFPP) that Raft River originally filed on August 11, 2020 pursuant to Utah Code Title 54, Chapter 24, Wildland Fire Planning and Cost Recovery Act. Specifically, the Report lists Raft River's progress made in addressing action items listed in its WFPP, and states that the WFPP has helped Raft River collaborate with other agencies to reduce and eliminate fire hazards.

The PSC also reviewed the November 22, 2021 comments filed by the Division of Public Utilities (DPU). DPU comments that Raft River's Board of Directors reviewed and approved the Report at its October 26, 2021 meeting, and recommends that the PSC acknowledge that the Report complies with Utah Code Ann. § 54-24-203(4)(b).

Based on the PSC's review of the Report and DPU's comments and recommendation, the PSC acknowledges the Report as complying with Utah Code Ann. § 54-24-203(4)(b). Pursuant to Utah Code Ann. § 54-24-203(5), the Report is available for public inspection at the PSC.

Sincerely,

/s/ Gary L. Widerburg
