Docket No. 21-035-16 Collaborative Stakeholder Process for Rocky Mountain Power's Grid Modernization and Rate Design

Commission,

Thank you for considering the technical assistance application with the DOE. The parties in the docket have collaborated on the attached application. On behalf of the workgroup participants, the Division represents

1. The parties agree or have not opposed that submitting the application under the Commission's name is acceptable and beneficial; and
2. The parties agree or have not opposed the specific language in the attached application.

The Commission and Chair Levar are listed on the application as the senior official on page 5. The primary contact person listed is Bob Davis, a technical consultant with the Division. The deadline for submittal is September 28, 2021, at 3:00 pm. Because of the upcoming deadline, we ask the Commission to let parties in the docket know of its approval as soon as possible. If the application is acceptable to the Commission, the Division will oversee the submission of the application to the DOE. If there are any questions, please contact me.
