Re: *Collaborative Stakeholder Process for Rocky Mountain Power's Grid Modernization and Rate Design, Docket No. 21-035-16*

Dear Dr. Powell,

The Public Service Commission (PSC) has reviewed the email and attached Draft Application Form for Technical Assistance to State Public Utility Commissions ("Form") that you submitted to the PSC on September 27, 2021. Having reviewed the Form, and based on the Division of Public Utilities' (DPU) representations that all parties either support or do not oppose submission of the Form to the United States Department of Energy (DOE), the PSC authorizes the DPU to submit the Form to the DOE on the PSC's behalf.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
