The email and your representation that Ms. Sampson stipulates to the change in date are sufficient, thank you for asking. The Public Service Commission will post this correspondence to the docket and issue a notice rescheduling the hearing for August 20, 2021.

Mr. Hammer,

I am unable to make the hearing set in the above-referenced matter for August 11 because I have a hearing in front of the Utah State Tax Commission from August 9-13. Would it be possible to change the hearing to August 19 or 20? I reached out to the complainant, Jennifer Sampson, who is copied on this email, about alternate dates. She indicated that she does not have a problem changing the date and that August 19 or 20 would work for her. Would you like me to make a formal motion to continue the hearing?

Thanks and best,

Emily Wegener
