Re: **Docket No. 21-035-32**, Rocky Mountain Power's Calendar Year 2020 Affiliated Interest Report.

Issue/Request

On May 28, 2021, the Public Service Commission of Utah ("Commission") issued an Action Request to the Division of Public Utilities ("Division") a review of its Affiliated Interest Report for the calendar year 2020 with a due date of June 28, 2021.

The Division is in the process of determining and requesting the information necessary to comply with the Commission's request and finds that additional time will be required to complete this review. The Division will file a report as soon as practicable but no later than November 12, 2021. Therefore, the Division requests the Commission extend the due date to November 12, 2021.
