Re: *Rocky Mountain Power's Semi-Annual Demand-Side Management Forecast Reports;*
Docket No. 21-035-45

Dear Ms. Saba:

The Public Service Commission (PSC) reviewed the Semi-Annual Demand-Side Management (DSM) Deferred Account and Forecast Report and associated Attachment A ("Report") filed by Rocky Mountain Power (RMP) on July 1, 2021. The PSC also reviewed comments filed by the Utah Division of Public Utilities (DPU) and the Office of Consumer Services (OCS). RMP filed the Report pursuant to the PSC's Order Granting Approval of Phase I Stipulation dated August 25, 2009 in Docket No. 09-035-T08 ("Order"). The Stipulation requires, in part, RMP to provide certain semi-annual DSM deferred account analyses. DPU and OCS both recommend the PSC acknowledge that the Report complies with the reporting requirements from the Order.

Based on the PSC's review of the Report and on DPU's and OCS's comments and recommendations, the PSC acknowledges that the Report complies with the reporting requirements from the Order.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
