

**EXTENSION AMENDMENT  
TO  
ELECTRIC SERVICE AGREEMENT  
AND  
OPERATING RESERVE INTERRUPTION AGREEMENT  
BETWEEN  
ROCKY MOUNTAIN POWER  
AND  
US MAGNESIUM LLC**

**This instrument is effective May 18, 2022.**

**This extension amendment (“Extension Amendment”)**, amends the Electric Service Agreement and accompanying Operating Reserve Interruption Agreement by and between PacifiCorp, an Oregon corporation doing business in Utah as “Rocky Mountain Power” (“Seller”), and US Magnesium LLC (“Purchaser”). Seller and Purchaser together are the “Parties”.

**RECITALS**

WHEREAS, on December 28, 2017 Seller and Purchaser executed an Electric Service Agreement (“ESA”) whereby Seller agreed to provide electric service to Purchaser pursuant to certain terms and conditions. The ESA was approved by the Public Service Commission of Utah (“Commission”) in Docket No. 17-035-71, via bench order on April 12, 2018, and confirmed by written order issued April 18, 2018. The term of the ESA was through December 31, 2018.

WHEREAS, Seller and Purchaser agreed to a one-year extension of the ESA and accompanying Operating Reserve Interruption Agreement (“ORIA”), to expire December 31, 2021. The one-year extension of the ESA and ORIA was approved by the Commission in Docket No. 20-035-47 in an Order dated March 8, 2021.

WHEREAS, on September 21, 2021, Seller filed Docket No. 21-035-53 with the Commission, requesting that the Commission set terms and conditions for electric service from Purchaser to Seller. In connection with the filing in that Docket, Seller and Purchaser agreed on October 14, 2021 to an additional extension of the ESA and ORIA consistent with the current terms and conditions as approved in Docket No. 20-035-47, such that all terms and conditions of the ESA and ORIA were extended to and including June 30, 2022;

WHEREAS, the Parties have engaged in substantive and beneficial conversations in an effort to resolve disputes in Docket No. 21-035-53 and, in order to permit those discussions to continue have agreed to an additional extension of the ESA and ORIA consistent with the current terms and conditions such that all terms and conditions of those agreements are extended to and including July 31, 2022, EXCEPT THAT if any new agreements are negotiated between the Parties the term of the new agreements shall begin on July 1, 2022 and shall replace the existing ESA and ORIA.

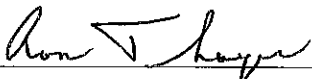

NOW, THEREFOR, the Parties agree as follows:

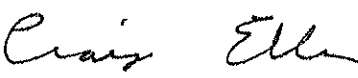

1. All terms and conditions of the Agreement as approved by the Commission in Docket No. 20-035-47 shall remain in full force and effect without claim of any interruption or lapse;
2. The term of the ESA and ORIA shall be extended to and including July 31, 2022; and
3. If the Parties negotiate a resolution to the disputes in Docket No. 21-035-53 and reach agreement on new terms and conditions for service to US Magnesium, the new terms and conditions shall go into effect on July 1, 2022.

Agreed:
