Re: *Bridger Valley Electric Association's Proposed Tariff Revisions*; Docket No. 22-022-T01

Dear Mr. Redden:

The Public Service Commission (PSC) reviewed the February 3, 2022 filing by Bridger Valley Electric Association, Inc. ("Bridger Valley") of revised tariff sheets ("Tariff Sheets") modifying Bridger Valley's Schedule SGS - Small General Service Single-Phase, Schedule L - Irrigation Pumping, and Schedule SGS H - Small General Service Heating Incentive Rate. The effective date for the revised Tariff Sheets is April 1, 2022.

The Division of Public Utilities (DPU) filed comments on February 8, 2022 recommending that the PSC acknowledge Bridger Valley's filing of the Tariff Sheets. In making its recommendation, DPU comments that Bridger Valley is a cooperative headquartered in Wyoming, is exempt from general PSC oversight with some exclusions under Utah Code Ann. § 54-2-202, and filed the Tariff Sheets with the Wyoming Public Service Commission on January 28, 2022.

Based on the PSC's review of the Tariff Sheets and on DPU's comments and recommendation, the PSC acknowledges Bridger Valley's filing of the Tariff Sheets. Accordingly, the Tariff Sheets are available for public inspection at the PSC.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
