**Re:** **Docket No. 22-028-04**, Garkane Energy's request to issue Securities in the form of a Loan Agreement and Secured Promissory Note.

## Issue/Request (Request for Extension)

On December 14, 2022, the Public Service Commission of Utah ("Commission") issued an Action Request to the Division of Public Utilities ("Division") to review Garkane Energy's (Garkane) request to issue securities in the form of a Loan Agreement and Secured Promissory Note with a due date of January 4, 2023. Subsequently, the Commission issued a Notice of Filing and Comment Period with a comment date of January 4, 2023.

The Division is in the process of determining and requesting the information necessary to comply with the Commission's request and finds that additional time will be required to complete this review. The Division discussed the request for extension with Garkane representatives. Garkane does not oppose the extension. Therefore, the Division requests the Commission extend the due date to January 10, 2023.
