**Re: Docket No. 22-035-03**  
**In the Matter of the Application of Rocky Mountain Power for Waiver of the**  
**Requirement for Preapproval of Significant Energy Resource Acquisitions**  
*Errata Filing*

On January 24, 2022, PacifiCorp dba Rocky Mountain Power (“Rocky Mountain Power” or “Company”) filed its Application in the above-captioned matter. The Company has discovered that its Rock Creek II project was inadvertently referred to as Rock Creek I throughout the application and direct testimony of Shayleah LaBray. The project name mislabeling did not affect any other aspect of the Company’s filing. The Company submits this errata to ensure the record is clear since the Company does have a project named Rock Creek I that is not included in the waiver application.

The Company submits for filing with the Commission the enclosed Errata correcting the project name mislabeling in section 4 of its Application and lines 54, 59, 170 and 171 of its Direct Testimony of Shayleah J. LaBray. For convenience, the Company also provides red-lined and clean versions of pages 4 and 6 of the Application and pages 3 and 8 of the Direct Testimony of Shayleah J. LaBray with the corrections. The Company apologizes for any inconvenience caused by the error.

Informal inquiries may be directed to Jana Saba at (801) 220-2823.

Sincerely,

Joelle Steward  
Senior Vice President, Regulation
