Commission Administrator

Re: Docket No. 22-035-03
In the Matter of the Application of Mountain Power for Waiver of the Requirement
for Preapproval of Significant Energy Resource Acquisitions
Notice of Finalized Contract

On February 11, 2022 the Public Service Commission of Utah (“Commission”) issued an Order granting the application of PacifiCorp dba Rocky Mountain Power (“Rocky Mountain Power” or “Company”) for a waiver pursuant to Utah Code Ann. § 54-17-501 and Utah Admin. Code R746-430-4. The projects for which a waiver was granted were: (i) Boswell Springs; (ii) Cedar Springs IV; (iii) Dominguez I; (iv) Green River I & II; and (v) Rock Creek II.

As a condition of its approval, the Commission required the Company to provide notice in this docket upon finalization of each of the contracts associated with the projects. Accordingly, Rocky Mountain Power hereby notifies the Commission that it has executed a contract with counterparty Innergex Renewable Energy, Inc. for the Boswell Springs wind resource for a contract term of 30 years. The scheduled commercial operation date is December 31, 2024 for an installed nameplate capacity of 320 megawatts.

Any questions regarding this notice may be directed to Jana Saba at (801) 220-2823.

Sincerely,

Joelle Steward
Senior Vice President, Regulation & Customer and Community Solutions
