Good Afternoon,

As Rocky Mountain Power has been preparing for the Technical Conference on the Company's Semi-Annual Hedging Report, scheduled in Docket No. 22-035-06 for March 29, 2022, we have determined that we will need to present and discuss confidential information for the conference to be meaningful. In the interest of time, how would the Commission prefer we send an official request for the session to be closed?

Thank you in advance for your help.

-Stephanie
