PacifiCorp's Semi-Annual Hedging Report

DOCKET NO. 22-035-06

AMENDED NOTICE OF VIRTUAL
TECHNICAL CONFERENCE

ISSUED: March 24, 2022

On March 23, 2022, the Public Service Commission (PSC) issued a Scheduling Order and Notice of Virtual Technical Conference in this docket. Later that same day, Rocky Mountain Power (RMP) submitted correspondence to the PSC stating RMP has determined it will be necessary to present confidential information during the conference and requesting the technical conference be a closed meeting. The PSC gives notice portions of the March 29, 2022 technical conference may be closed to preserve the confidentiality of sensitive information. Any person who is concerned about potentially being excluded from such a discussion should contact RMP as soon as possible to explore whether a non-disclosure agreement may alleviate RMP's objection to the person receiving the confidential information.

DATED at Salt Lake City, Utah, March 24, 2022.

/s/ Michael J. Hammer
Presiding Officer

Attest:

/s/ Gary L. Widerburg
PSC Secretary
