Re: **Docket No. 22-035-06**, PacifiCorp – Semi-Annual Hedging Report

Recommendation (Request for Extension)

On August 16, 2022, the Public Service Commission of Utah (Commission) issued an Action Request to the Division of Public Utilities (Division) for a review of PacifiCorp's Semi-Annual Hedging Report with a due date of September 14, 2022. As explained herein, the Division requests an extension in the Action Request due date to November 14, 2022.

Issue

During the last year, PacifiCorp has made significant changes to its hedging program. The Division has discussed the changes in the program and the reporting with the Company, however, the changes are not clearly understood. Several of the exhibits and schedules that were provided in previous reports have been revised and several have been eliminated making a comparison to previous hedging reports difficult. Several new exhibits have been added to the most recent filing, however, the supporting data has not been provided. The

Division is continuing to work with the Company to gain a better understanding of the hedging program and the corresponding reports.

Conclusion

Due to the significant changes to the hedging program, the reporting, and incomplete data, the Division's review and analysis will require additional time. The Division requests an extension in the Action Request due date to November 14, 2022.
