2. The utility being complained against is: Bucky Mountain Power
3. What did the utility do which you (the Complainant) think is illegal, unjust, or improper?
Include exact dates, times, locations and persons involved, as closely as you can.

On April 30th each year R.M.P. removes all of the accumulated power credit I have generated by my solar over the year without any compensation to me.

4. Why do you (the Complainant) think these activities are illegal, unjust or improper?
As a "snow bird" I travel to other warmer places during the winter. Therefore I do not use much electricity these months preparing to use them during the summer when I run my A.C.

5. What relief does the Complainant request?
Compensation for the power I have generated either in cash, credit to further use, or a pay credit.
