Re: *PacifiCorp d/b/a Rocky Mountain Power's Affiliated Interest Report for Calendar Year 2021;*
Docket No. 22-035-26

Dear Ms. Saba:

The Public Service Commission (PSC) reviewed the May 27, 2022 filing by Rocky Mountain Power (RMP) of its Affiliated Interest Report for the Year Ended December 31, 2021 ("Report"). The Report contains a summary of the current subsidiaries and affiliates associated with PacifiCorp, including officers and directors in common, services received and provided, and certain financial information. RMP is required to file the Affiliated Interest Report on an annual basis consistent with the PSC's order in Docket No. 05-035-34.¹

The PSC also reviewed the November 14, 2022 comments filed by the Division of Public Utilities (DPU). DPU states that active affiliated interest relationships exist between RMP and the reported entities. DPU further states RMP provided it with appropriate affiliate transaction information. Based on its review of those affiliate transactions, DPU comments that the affiliate transactions do not appear to be adverse to the public interest or inappropriately priced. DPU adds that the 2021 financial activity between PacifiCorp and the listed affiliated entities generally resembles prior years' activity. DPU recommends the PSC acknowledge that the Report complies with Transaction Commitment 8.

Based on the PSC's review of the Report and DPU's comments and recommendation, the PSC acknowledges the Report complies with Transaction Commitment 8.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
