Re: *Rocky Mountain Power's Demand-Side Management 2021 Annual Energy Efficiency and Peak Load Reduction Report, Docket No. 22-035-27*

Mr. Snow,

The Public Service Commission has reviewed your letter dated May 31, 2022, requesting a one-week extension to file Rocky Mountain Power's (RMP) Annual Energy Efficiency and Peak Load Reduction Report ("Report"). The letter represents the additional time was necessary because of employee illness and turnover.

RMP subsequently filed the Report on June 7, 2022.

RMP's request for a one-week extension is approved.

Sincerely,

/s/ Gary L. Widerburg
