Commission Secretary

RE: **Docket No. 22-035-30 – In the Matter of the Application of Rocky Mountain Power for Approval of an Amendment of a Renewable Energy Service Contract Between Rocky Mountain Power and Stadion LLC**
Update to Rocky Mountain Power’s Reply Comments

On August 19, 2022, Rocky Mountain Power (the “Company”) filed Reply Comments in the above referenced matter addressing a request by the Office of Consumer Services (“OCS”) to commit to timing for the filing of the first report under the requirement from the August 29, 2016 Order in Docket No. 16-035-27. In Reply Comments, the Company stated the first annual report would be filed in the first quarter of 2023. Based on subsequent communications between the Company, the Division of Public Utilities and the OCS, the first report will contain data for calendar year 2022, which will not be available until after the semi-annual results of operations report is filed around April 30, 2023. Therefore the Company updates its commitment that the first report will be filed by the end of the second quarter of 2023.

Informal inquiries may be directed to Jana Saba at (801) 220-2823.

Sincerely,

Joelle Steward
Senior Vice President, Regulation and Customer & Community Solutions
