RE: **Docket No. 22-035-T07 – Rocky Mountain Power’s Proposed Tariff Changes to Electric Service Schedule No. 198 – Electric Vehicle Infrastructure Program (EVIP) Cost Adjustment**

Docket No. 21-035-69 – In the Matter of the Application of Rocky Mountain Power for Approval of Electric Service Agreement Between PacifiCorp and Nucor-Plymouth Bar Division, a Division of Nucor Corporation
Tariff Compliance Filing

On May 18, 2022, the Public Service Commission of Utah (“Commission”) issued an Order Approving Electric Service Agreement in Docket No. 21-035-69 (“Order”). In the Order, the Commission directed that the energy services agreement would be subject to Electric Service Schedule 198 – Electric Vehicle Infrastructure Program Cost Adjustment (“Schedule 198”). Rocky Mountain Power (the “Company”) hereby submits a compliance tariff filing to modify Schedule 198 according to the Order. The rate of 0.27% reflected on Schedule 198 for Contract 1 is consistent with the rate used for Electric Service Schedule No. 9 – General Service High Voltage.

Enclosed for filing is a revised page associated with Tariff P.S.C.U No. 51 of Rocky Mountain Power applicable to electric service in the State of Utah. Pursuant to the requirement of Rule R746-405-2(D), the Company states that the proposed tariff sheet does not constitute a violation of state law or Commission rule. The tariff sheet reflects an effective date of May 18, 2022, for these changes which is the date the Order was issued.

First Revision of Sheet 198.2	Electric Service Schedule No. 198	Electric Vehicle Infrastructure Program Cost Adjustment
-------------------------------	--------------------------------------	--

Any questions regarding this filing may be directed to Jana Saba at (801) 220-2823.

Sincerely,

Joelle Steward
Senior Vice President, Regulation and Customer & Community Solutions
