Re: Docket No. 23-030-02 - *Moon Lake Electric Association, Inc.'s Wildland Fire Protection Plan*

Dear Mr. Miles,

The Public Service Commission (PSC) reviewed Moon Lake Electric Association, Inc.'s ("MLEA") October 26, 2023, filing of its 2023 Wildland Fire Protection Plan (WFPP) pursuant to Utah Code Ann. § 54-24-203. The WFPP provides an overview of MLEA and describes the range of activities that MLEA is taking or considering to mitigate wildfire threats. The WFPP includes MLEA's objectives, analysis, strategies and protocols, community outreach and education, as well as integration with applicable plans.

The PSC also reviewed the comments filed by the Division of Public Utilities (DPU) on November 16, 2023. DPU comments that, compared to MLEA's 2020 WFPP, its 2023 WFPP added a section about the fire history in its service territory from 2006 to 2023. DPU summarizes six implementation steps presented in the WFPP and states that MLEA's Board of Directors reviewed and approved the Report on October 25, 2023. DPU recommends the PSC acknowledge that MLEA has complied with the filing requirements in Utah Code Ann. § 54-24-203(1-3).

Based on the PSC's review of the WFPP and DPU's comments and recommendation, the PSC acknowledges the WFPP complies with Utah Code Ann. §§ 54-24-203(2) and 54-24-203(3). Pursuant to Utah Code Ann. § 54-24-203(5)(a), the WFPP is available for public inspection at the PSC's offices and on its website.
